

# THE DAVID R. CHAPMAN SEMINARS

Overcoming Procrastination ♦ The Small Business Legacy Program ♦ Empowering Seniors

## OVERCOMING PROCRASTINATION

Procrastination kills productivity.

Procrastination robs us of our self-respect.

Science gives us the tools and techniques to win this battle.

Dave's program will enable you and your team to reach a new level of mature productivity that will last a lifetime.

## THE SMALL BUSINESS LEGACY PROGRAM

Job satisfaction is at its lowest level in decades – less than 45%. Low job satisfaction means poor job performance. We will –

- Get your team excited about coming to work – every day
- Increase individual and team effort to fulfill your company's mission
- Help people develop the belief that your firm's success is *their* success

## “MY TIME HAS COME”

### EMPOWERING SENIORS WORLDWIDE

Dave is a member of the Board of Directors and Secretary of the International Association for Senior Debate. Our goal is to develop a world-wide competitive debate program for the citizens of the world who are in the “Third Stage” of their lives.

Have Dave come give his talk, “My Time Has Come, Now What Do I Do With It?” to your organization. Learn about the crucial role our seniors will have in the growth and healing of our world in the years ahead.
